

## National Safe Boating Council

*Safer Boating Through Education, Outreach and Training*

Dear Members,

This will be my last message to you as I step away from the NSBC as the Executive Director. I started as Outreach Manager nearly a decade ago and, in that time, I've learned so much from *you* - every one of you that makes up the strong membership and "family" of the NSBC.

I wanted to say thank you: thank you for your hard work, your empathy, and your passion for what you do. Thank you for remembering that every day we go into work, we go into work to prevent boating casualties and to promote how wonderful boating is!

To those of you who have been personally affected by a boating accident: I will never forget you and I will always hope that I was able to offer at least a little help along the way. You truly inspire me.

To everyone I've met along the way: you've helped me grow both professionally and personally, and I will always appreciate that.

Keep up the great work, everyone. Your efforts are not going unnoticed and you are making a difference. I'm so proud for the opportunity to have worked with you during my time with the NSBC.

Sincerely,

Rachel

---

On behalf of the NSBC Board of Directors, we would like to extend our heartfelt thanks to Rachel Johnson for her previous years of service as Executive Director and her prior time as the Council's Outreach Manager.

We appreciate her dedication and commitment to the NSBC's mission and wish her all the best in her future endeavors.

Chris Stec, Chair

Board of Directors

National Safe Boating Council
